3. Background Story

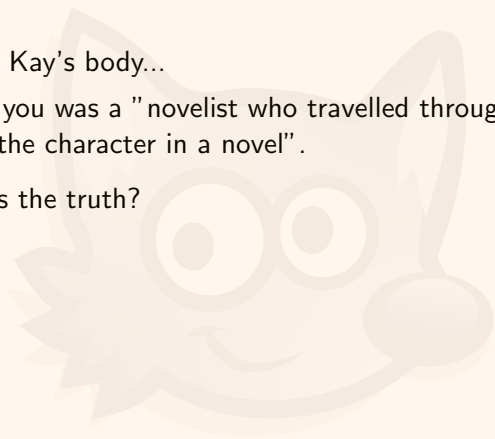

You are now in Kay's body...

- You think you was a "novelist who travelled through time and zone into the character in a novel".

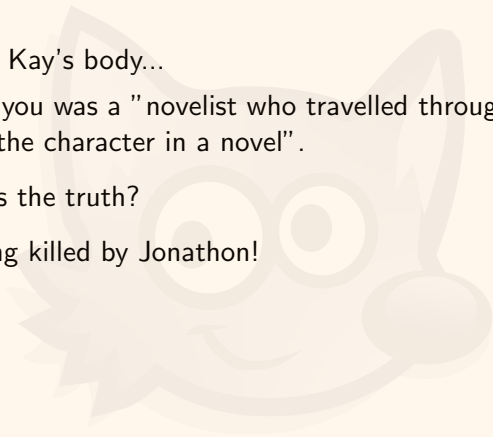

You are now in Kay's body...

- You think you was a "novelist who travelled through time and zone into the character in a novel".
- But what's the truth?

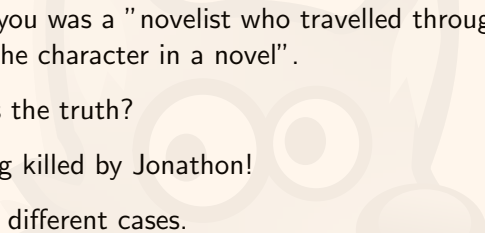

You are now in Kay's body...

- You think you was a "novelist who travelled through time and zone into the character in a novel".
- But what's the truth?
- Avoid being killed by Jonathon!
